Elite Edition veranda

DE ULTIMATE VERANDA

Gardendreams Elite Edition veranda

The Gardendreams Elite Edition veranda is the king of verandas. This veranda can support an extreme weight load, which is the reason why it is 7 meters wide and 6 meters deep standing on merely two posts. With polycarbonate roofing, this veranda is very suitable for restaurants and hotels, to name a few.

An Elite Edition veranda includes:

- 1 standard colour:
  Anthracite grey with texture (RAL 7016)
- 16 mm thick Polycarbonate GD Clear or GD Opal
- Standard gutter profile
- Extra strong gutter
- 2 galvanised anker foots
- Statistical calculation

Excellent Edition veranda

DE ULTIMATE VERANDA

Gardendreams Excellent Edition veranda

The crème de la crème of verandas is the Excellent Edition. Similar to the Elite Edition model, only more luxurious with glass roofing. The unique feature of the Elite and Excellent verandas is the strength to be able to support the weight of a large veranda. This veranda is also until maximal 7 meters wide and 6 meters deep, standing on just 2 posts.

Excellent Edition

Strong & luxurious

An Excellent Edition veranda includes:

- 1 standard colour:
  Anthracite grey with texture (RAL 7016)
- Optional of 8 mm or 10mm safety glass
- Standard gutter profile
- Extra strong gutter
- 2 galvanised anker foots
- Statistical calculation
